

# KONAVLE TOUR by coach

**9 May 2019**

Konavle region is the most southern area of Croatian Adriatic, known for natural beauties as well as rich cultural tradition. Discover the Renaissance fortification and get acquainted with the home-made silk production.

The tour starts at 09:00 a.m. at Pile Gate.

*The tour takes us through the picturesque Konavle valley towards the Renaissance fortification – Sokol grad (Falcon tower). Located on a hardly accessible rock, the fortress has been a part of a fortification system of the former Dubrovnik Republic since 15<sup>th</sup> century.*

*After the fortress, our next stop is the village of Gruda where you will discover the old traditional way of silk production used to embroider local national costumes and handicrafts.*

*Towards the end of the tour, a refreshment of local drinks will be served in the local restaurant.*

*Return to your hotel early in the afternoon.*

**Price: EUR 65,00 per person**

*It includes:*

- *Deluxe tourist motor coach*
- *Expert local English-speaking guide*
- *Entrance fees for the tower and silk gallery*
- *Wine and sweet brandies tasting*

*Minimum number of participants required to operate the tour: 25*

*Otherwise, the tour can be cancelled.*

**Tour booking online through registration form.**
