

Mali Ston Bay Tour by coach and boat

9 May 2019

Join us for the tour to Mali Ston Bay – a nature reserve in the sea. Enjoy the fresh sea-shells: oysters and mussels and excellent wines of the region.

The tour starts at 09:00 a.m. at Pile gate.

Enjoy the tour to Mali Ston Bay, a nature reserve in the sea – well known for its oysters and mussels production. Arriving in this picturesque village, embark the boat for a ride in the bay. On board, you will enjoy the pristine nature and unspoiled surroundings. The hosts will offer you fresh oysters just out of the sea.

Upon disembarking, the tour continues to the local village winery where you will be able to try famous local wines of the region and learn of its production.

Return to the hotel early in the afternoon.
